

Mobile Testing Unit locations

An important part of minimising and managing any future spread of Covid-19 is the speed at which people can be tested and isolation measures put in place, should an outbreak occur.

The mobile testing unit is now available at locations across the county. Please see this week's locations below.

Anyone with symptoms of Covid-19 can have a test. You must book a test in advance. Please do not turn up to one of the locations without booking – anyone without a booking risks being turned away.

To book a test or for more information on testing, go to the [NHS website](#) or call 119.
