The Chairman gave the following announcements;
- a thank you letter has been received from Severn Area Rescue for the grant of £50 we recently gave them. We have not received any acknowledgement from Ebley Youth, Cotswold Rangers or Cashes Green Brownies as yet but will monitor this.
  - a plaque for former Councillor Darryn Saville has been fixed to a bench at Victory Park.
  - Cashes Green Community Centre held their AGM last week and it appears there are still huge issues with new Trustees already leaving or threatening to walk away. Should we put this on the next PHA agenda to discuss writing to District Council as with no unity at the Centre it is in real danger of closing down.
  - the Four Wards is now ready to be delivered. Please take yours with you tonight and if anyone has time to do a few more rounds please see Jeni

The report of the Planning, Highways and Amenities Committee was noted.  
Councillor P Berry requested that an update regarding the Bovis Estate be added to the next agenda and information be added to our website.
- FC61/18** To consider the following planning application
- S.18/0549/HHOLD – 66 Westward Road – Replacement rear extension
- After discussion Councillor Barton proposed no observations. This was seconded by Councillor Cross and carried with all in favour.
- FC62/18** To receive the report of the Recreation Committee  
The report of the Recreation Committee was noted.  
Members raised concerns about the ecological area at Cashes Green Allotments and it was agreed the Clerk will do some background work checking agreements and bring it back to the next committee meeting.
- FC63/18** To authorise the Clerk to apply for grants as necessary for the Pavilion project  
The Clerk was authorised to continue to apply for grants as necessary.
- FC64/18** To receive a report and consider recommendations from the Pavilion Working Party  
Councillor Barton informed members that the working party had held a very positive meeting and had considered every aspect from scrapping the scheme to completing the build in full. He explained that it is the overall desire of the working party to see the new pavilion built subject to some value engineering. He also discussed minor alterations such as unisex toilets, removal of the quiet room and moving the tea point to the lobby area.  
Councillor Barton informed members that it is the recommendation of the working party to take a further Public Works Loan of £150,000 over no more than 40 years to cover the shortfall. After due discussion and consideration was given to alternative solutions and any financial risk to the Council assessed the working parties recommendation was proposed by Councillor E Berry, seconded by Councillor N Watkins and carried with all in favour.
- FC65/18** To approve the venue for a Big Community Get Together and consider Councillor volunteers to help with organisation.

Councillor Miles reported that County Councillor Brian Oosthuysen has some funding to help combat loneliness and she and District Councillor Rachel Curley thought a Community Get Together would be a good use of the money.

Councillor Barton questioned the staff availability and time pressures and Councillor Miles confirmed that this would not be organised by the Parish Council, although she would appreciate some contact details for bands and hire of equipment and some advertising in the Four Wards, website and notice boards.

Councillor Barton suggested they confirmed the date with the Parish Council to check the availability of Victory Park and as long as it is available Council will be happy for them to use the Park. It should be noted that there may be building work going on at the same time.

- FC66/18** To receive an update from the police regarding the fire at the QEII Play area  
Members noted correspondence from the Police stating that all enquiries have now been exhausted and the case will now be filed under pending further evidence.  
Councillor P Berry expressed his disappointment with the outcome.  
Councillor Barton explained that Council need to be realistic as a case cannot be made if there is no evidence.
- FC67/18** To note The Door's final report  
Councillor P Berry was concerned by the report and Councillor Barton felt it unreasonable for the Door to blame the Parish Council for supervision of children in their care. The report mentioned two regular youth club attendees behaviour being challenging and Councillor Halling explained that there are mentors for these children and they should not be attending the youth club until their behaviour has been fully assessed and time spent with their mentors. She felt that children should register to join the club and was appalled to hear that the youth workers do not hold full youth work qualifications. Councillor Barton responded that poor management has tarnished the Youth Club reputation throughout the area, not controlling who is going in to the club, blaming the premises and lack of training. Councillor Halling and the Clerk felt that in the future the Parish Council should not run a youth club but rather encourage people to hold youth friendly activities in the new hall once the build is complete.
- FC68/18** To approve the renewal of the subscription to GAPTC  
Members unanimously agreed to renew the membership.
- FC69/18** To report on any external meetings/training sessions attended  
Councillor Miles reported on a dementia meeting and a meeting regarding the Subscription Rooms.
- FC70/18** To confirm the date and time of the next meeting of the Council  
The next meeting will take place on Monday 30 April 2018 at 7:00pm

There being no further business the meeting closed at 8pm
